On Line II Mold Cleaner & Resin Remover

Why was ON LINE II MOLD CLEANER AND RESIN REMOVER developed?

On Line II Mold Cleaner and Resin Remover was developed as a solution to the problem of resin build-up faced by today's high volume molders. On Line II Mold Cleaner and Resin Remover's unique all position spray with pinpoint action makes it easy to remove build-up in those awkward hard to get areas.

DESCRIPTION:

On Line II Mold Cleaner and Resin Remover is the most technologically advanced, carefully blended, non-chlorinated, CFC free, solvent aerosol cleaner created for resin removal and mold cleaning. On Line II Mold Cleaner and Resin Remover's formulation is worry free because it does not contain methylene chloride. On Line II Mold Cleaner and Resin Remover allows fast and efficient removal of polycarbonates and polystyrenes. On Line II Mold Cleaner and Resin Remover will soften hard plastics like Nylon and Delrin. On Line II Mold Cleaner and Resin Remover's all position spray with pinpoint action provides versatility and precise spray for those hard to get areas.

PERFORMANCE CHARACTERISTICS:

- All Position Spray with Pinpoint Action
- Removes Polystyrenes, Polycarbonates, Nylons, Colfax and some Deltrins
- Fast Acting
- Residue Free
- No Strong Odor

REMOVAL SPECIFICATIONS:

No removal is necessary.
