

DAC-400

DAC's Duster

Pressurized Air Cleaner

Why was DAC's DUSTER developed?

DAC's Duster was developed to fill in and give us a full line of aerosols that are highly competitive and cost efficient for the electronic industry. DAC's Duster is CFC free, moisture free, residue free and cost efficient.

DESCRIPTION:

DAC's Duster is a straight solvent gas that is non-flammable and worry free from explosion hazards. Excellent for removing dirt, dust, lint and other particles from equipment, computers, contacts, circuits and much more!

PERFORMANCE CHARACTERISTICS:

- Non-flammable
- Moisture Free
- High Pressure
- Residue Free

SUGGESTED USES:

- Slot Machines
- Copiers
- Printers
- Electronic Devices
- Typewriters

REMOVAL:

No removal is necessary
