

DAC-65651

# Electronic Mold Release

## Why was ELECTRONIC MOLD RELEASE developed?

Electronic Mold Release was developed to give you an excellent mold release that will leave you worry free from alteration of electronic properties.

## DESCRIPTION:

Electronic Mold Release's one-of-a-kind high performance formula will not interfere with the electronic properties of plastic molded parts. It is fully paintable, CFC-free, and safe on all plastic parts. This oil free formula eliminates the chance of smearing. DAC Electronic Mold Release is the ideal choice for all your electronic mold release needs. A proven winner that will leave you worry free regarding any alteration of electronic properties.

## PERFORMANCE CHARACTERISTICS:

- Will not alter electronic properties
- Free of chlorinated solvents
- Non-silicone
- Fully paintable
- Safe on all plastics
- CFC free
- Oil free formula eliminates the chance of smearing

## REMOVAL SPECIFICATIONS:

If build-up occurs, flush with DAC-103 Universal All Purpose Degreaser.

## NPCA Hazardous Materials ID System
